THE LONG LONG HOLIDAYS

THE DAILY LIFE OF CHILDREN UNDER THE OCCUPATION

OUR SOLUTION

An **adventure game** in four episodes, focusing on the main themes of the animated series: life in occupied territory, the requisitions, the resistance, the black market...

The player embodies in turns Ernest and Colette, the two main characters, and performs a series of missions.

The goal is to collect clues and items to unlock new levels, or to solve mini-games (puzzles, infiltration, hidden objects...).
