

Experience comes to life

Professional interview is a key milestone for managers to pilot their collaborators's professional future and employability. This review is at the heart of previsional HR management.

GOAL

Train Managers to conduct professional interviews and turn these meetings into opportunities.

TARGETS

Managers

OUR PARTNERS

Dr Charles-Henri Besseyre des Horts
Professor at HEC Paris and consultant

FORMATS

PROFESSIONAL INTERVIEW

TRAIN MANAGERS ON PROFESSIONAL INTERVIEW

OUR SOLUTION

This serious game enables managers to:

- Understand the goals of professional interview and the concept of **employability**
- **Prepare** the interview, **understand its differences with the annual review**
- Establish a **trustful relationship** with their collaborator, participate in managerial development
- Develop **listening skills**, encourage collaborators to take an active part in their professional development
- Learn how to mobilise, motivate, empower, delegate.

A game led by a virtual coach, based on realistic dialogues and a fine psychological analysis.

Lively characters and detailed settings, providing an immersive experience.

A detailed assessment and Memos available at the end of the game, to help remember all key-learnings.

Duration: 30 minutes of game play + 15 minutes of assessment
